

## **Liverpool One Foundation Funding Workshops** **January 2011**

The Community Foundation for Merseyside, in partnership with Merseyside Play Action Council, Sefton Opera and The Old School House Community Project are pleased to announce free funding workshops to support applications to the Liverpool One Foundation grant programme from Community and Voluntary sector organisations.

The workshops are a fantastic opportunity to meet Community Foundation staff and key fund representatives who can provide advice on the fund and it's criteria to assist with applications.

The Liverpool ONE Foundation aims to help the lives of local people in Merseyside, especially Liverpool, by providing support for good causes in and around the city.

Local priorities have been set for each borough of Merseyside. Groups applying to the fund should ensure that they can demonstrate their proposed project meets the local priorities which relate to their area as follows;

- **Knowsley** – Improvements to the local communities Health
- **Liverpool** – Children and young people's diversionary activities
- **Sefton** – Older People and intergenerational projects; Children and young people's diversionary activities; Improvements to the local environment
- **St. Helens** – Improvements to the local communities Health; Children and young people
- **Wirral** – Community capacity building in particular for children and young people
